

Greetings from USNA and Annapolis, Maryland. Between now and the beginning of camp, we will post information on a more frequent basis leading to the start of your selected session. Updates will be posted first on the camp website on the page titled *Updates*. That same information will eventually be emailed to you. We will email and post on Facebook an announcement that a Navy Swimming Camp update is now available. However, please note that updates always appear first on the camp website.

Similar to previous years, we are offering single session clinics in 2024. Each clinic runs three hours in length. Enrollment varies by clinic and is limited to allow for maximum individualized attention!

Please note that all clinics are a single session event lasting no more than three hours. Swimmers are permitted to attend the same clinic on both Saturday then again on Sunday. NOTE: If you would like to register for a clinic, just send an email to [navyswimmingcamp@usna.edu](mailto:navyswimmingcamp@usna.edu) and indicate which clinic(s) you would like to add.
