

NAVY Swimming Camp Update #3 (posted 5 June 2023)

Greetings from Annapolis. Three common questions/comments that we receive as we get closer to the start of the Navy Swimming Camp;

1. *Re-requesting for a specific roommate.* If you submitted a rooming request, we have it on file. We kindly ask that you do not re-submit or ask for verification. Though we expect to meet all matching rooming requests in 2023, we cannot confirm in advance due to late cancellations which impact overall assignments. We often receive emails asking for confirmation and/or verification of a previously submitted rooming request which we unfortunately cannot individually reply to each one. Rooming assignments become available at registration.
2. *Medical Waiver form.* Health Information/Emergency Notification/Medical Treatment Authorization were completed at time of registration. From there, we request in writing any special or extenuating health/medical issues including any required medication. Last, it is the responsibility of each parent/legal guardian to provide the Naval Academy Athletic Association with a complete and valid physical examination prior to the start of camp. **You do not need to submit the paperwork associated with this examination.** Rather, we simply need confirmation that this examination has taken place in the past 12 months. In order to make the registration process as efficient as possible, we collected/are collecting this information in advance in 2023. Thank you to all for completing prior to the June 1st deadline. If you have yet to submit or need to make an update, please use the following link. <https://forms.gle/CMTnWgmfCZC88L8r6>
3. *Request for a packing list.* Items we encourage people to bring are included in your confirmation email (near the bottom of the email.) In the event that you have misplaced your confirmation email, the packing list available on the camp website at; <http://www.navyswimmingcamp.com/ewExternalFiles/camp2023confirmation.pdf>

From the Naval Academy. The Naval Academy kindly asks and expects the following of each guest during your time throughout camp;

1. Please emphasize the importance of keeping your child(s) room clean at all times. We will do so however lean on you to prep your child in advance.
2. In the dorm rooms, please do not leave trash around the facilities at any time. Do not overflow small trashcans. Trash should be set in each hall adjacent to your door - it will be picked up by NAAA Staff & the USNA contracted cleaning service.
3. Shoes, shirts, and shorts are to be worn at all times. In addition, tank top shirts and ball caps are not proper attire for the dining hall.

4. Clothing and towels may not be placed in front of windows at any time.
5. Elevators in Dorm are not for use by summer camp participants.

Camp store at registration. One of the stops in registration on day one of your scheduled camp is the store. Here you will find an offering of Navy Swimming items. For planning purposes, we accept credit, cash or check for store items. The in person camp store will be open both on the first and last day of camp. The online camp store remains open at all times while closing on Friday June 23rd. New items including the 2023 camper issued tee shirt continue to be posted on Facebook & Instagram. We are honored to make these items available to you and hope that you will wear the Navy colors with pride!

Campers will also participate in the camp photo within 24 hours of the start of your respective camp. Campers will wear the 2023 issued shirt for this photo. Please let your swimmer know that they will be asked to wear this shirt for the camp photo. We will be reminding them as well. Just looking for back up assistance as there is always at least one who loses/misplaces/forgets/etc their shirt shortly after being issued. Kindly note that we are not equipped to issue a secondary shirt in the event that the original shirt goes missing for any reason. It will be a good lesson in responsibility for each camper to take care of all of their belongings including the issued camp tee shirt.

Park then proceed to Gate Z of the Stadium near the Blue Angel display (same location for returning campers), you (and any accompanying guests) may board the shuttle which will bring you to the Naval Academy. Shuttles are scheduled to begin traveling from the stadium to the Naval Academy grounds at 11:50am on June 13th & June 19th.

Please note you will have limited time to drop off and cannot park there. From here, staff will assist you getting from ground level to our assigned floor in Bancroft Hall. We want to issue a disclaimer that there is very little available parking in this vicinity. There are a few spots in the lot on right just before the sub circle. Other than that, there is no close available parking.
3. If running behind, there is a temporary parking lot (there are 15 minute & a limited number of 120 minute spots) located at Gate 1. You can always park there, walk in to get your swimmer checked in and then go back out to find parking. If this lot is full, you will need to find parking in downtown Annapolis then make your way to Gate 1 of the Naval Academy. **NOTE: *if running behind meaning arriving after 2:00pm, please report directly to Lejeune Hall as opposed to Bancroft Hall.***
