

NAVY Swimming Camp Update #3 (posted 5 June 2017)

Greetings from Annapolis. Three common questions/comments that we receive as we get closer to the start of the Navy Swimming Camp;

1. *Re-requesting for a specific roommate.* If you submitted a rooming request, we have it on file. We kindly ask that you do not re-submit or ask for verification. Rooming assignments become available at registration.
2. *Medical Waiver form.* The medical waiver form was completed at time of registration. From there, we request in writing any special or extenuating health/medical issues including any required medication. Last, it is the responsibility of each parent/legal guardian to provide the Naval Academy Athletic Association with a complete and valid physical examination prior to the start of camp. In 2017, you do not need to submit the paperwork associated with this examination. Rather, we simply need confirmation that this examination has taken place in the past 12 months. At registration, you will be asked to confirm that a complete and valid physical examination has taken place. You may also submit this in writing in advance if you would prefer. Simply send in an email to navyswimmingcamp@usna.edu verifying that a complete and valid physical examination has taken place in the past 12 months. Thank you. Please refer to the 2017 camp brochure to review the medical waiver (www.navyswimmingcamp.com see brochure tab at bottom right.)
3. *Request for a packing list.* Items we encourage people to bring are included in your confirmation email (near the bottom of the email.) In the event that you have misplaced your confirmation email, the same information is always available on the camp website which includes the packing list at; <http://www.navyswimmingcamp.com/ewExternalFiles/camp2017confirmation.pdf> (see June 5 2017 update)

Coming to Camp. See below for instructions on traveling to camp.

Camp store at registration. One of the stops in registration on day one of your scheduled camp is the store. Here you will find a healthy offering of Navy Swimming items. For planning purposes, we accept both cash or check for store items (no credit card.) The camp store will be open both on the first and last day of camp. New items are to be posted on the camp website soon including the 2017 issued camp shirt. We are honored to make these items available to you and hope that you will wear the Navy colors with pride! Of note, the issued camp shirt will be handed out at registration. Campers will also participate in the camp photo on day one of your respective camp. Campers will wear the 2017 issued shirt for this photo. Please let your swimmer know that they will be asked to wear this shirt on day one of camp for the camp photo. We

****TO DO: See next page for instructions on traveling to the Navy Swimming Camp.***

****MAKING YOUR WAY TO CAMP.*** To drive onto the Yard, the driver must have current Common Access Card or Uniformed Services ID card. If you possess this card, you may proceed directly to the Naval Academy. If you do not possess current a current identification card, you have three options for grounds access:

1. Bus shuttle. Travel to and park at NAVY MARINE MEMORIAL STADIUM (550 Taylor AVE, Annapolis, MD.) Drive into Gate 5 off of Taylor Avenue. Park then proceed to Gate Z of the Stadium near the Blue Angel display (same location as 2016 for returning campers), you (and any accompanying guests) may board the shuttle which will bring you to the Naval Academy.
2. You may simply park yourself in the downtown area (Along King George Street where parking is permitted OR any of the downtown lots or garages.) From there, go to Gate 1 (main visitor's gate) to pass through security onto the Naval Academy grounds.
3. If running behind, there is a temporary parking lot (15:00 minutes only) located at Gate 1. You can always park there, walk in to get your swimmer checked in and then go back out to find parking.

Once you proceed through Security be it by foot or vehicle, please move towards **Bancroft Hall** which is the one and only dorm of the Naval Academy. We look forward to checking you in.

1. ***For Day/Extended Day Campers only.*** In order to get a temporary pass to drive onto the Academy grounds, you will have needed to complete an online request for which should have been sent to you from the following email address; navyswimmingcamp@usna.edu on Friday June 2nd. You will pick up your temporary pass to drive on to the Yard at the Stadium. As long as you complete the form by the stated deadline, your pass will be ready for you at the stadium. You will next drive to the Naval Academy to then report to Bancroft Hall for registration. ***For Day/Extended Day Campers only.***
2. ***Please report to Bancroft Hall (4th wing) first.*** Once inside the Academy grounds (the Yard as we call it,) make your way towards 4th WING of BANCROFT HALL.
