

**Greetings from Annapolis.** Below are some reminders taken from the confirmation email along with a few relevant updates in advance of the June clinics at the US Naval Academy.

**Getting to camp & USNA Access.** To drive onto the Yard, vehicles must have current Common Access Card or Uniformed Services ID card. If you do not possess current a current identification card, you have three options:

1. You may simply park yourself in the downtown area (Along King George Street where parking is permitted OR any of the downtown lots or garages.) From there, go to Gate 1 (main visitor's gate) to pass through security. Lejeune Hall, site of your clinic, is the first building across the street after you pass through security.
2. Temporary parking lot. There is a temporary parking lot at Gate 1 of the Naval Academy. Please let the guard know that you are parking in the temporary lot (which will be visible and directly to your right.) They will point you in the direction of the visitor's lot. Please note the time on your respective parking spot as they do vary.
  - i. Map of the Naval Academy with the short term lot included;

3. Bus shuttle. Travel to and park at NAVY MARINE MEMORIAL STADIUM (550 Taylor AVE, Annapolis, MD.) Drive into Gate 5 off of Taylor Avenue. Park then proceed to Gate Z of the Stadium near the Blue Angel display (same location as 2018 for returning campers), you (and any accompanying guests) will board the shuttle which will bring you to the Naval Academy.
  - a. NOTE: Due to very limited utilization of the shuttle service in recent years for clinics, there will only be a bus service on Saturday June 15<sup>th</sup> on the front end of the clinic.
    - i. Saturday 15 June; bus shuttles will be in operation by 12:50/1:00pm for the afternoon clinics.
    - ii. REMINDER: There will not be a shuttle service on the back end of the clinics on Saturday June 15<sup>th</sup>. There will not be any clinic service on Sunday June 16<sup>th</sup>.
4. IMPORTANT! If running behind, there is a temporary parking lot located at Gate 1 as mentioned above. You can always park there, walk in to get your swimmer checked in and then go back out to find longer term parking.

Once you proceed through Security be it by foot or vehicle, please move towards **Lejeune Hall** which is the first building on your left after you pass through the gate. We look forward to checking you in on the pool deck. We will begin checking campers in 25 minutes prior to the start of your scheduled clinic. Check in for all clinics is brief so no need to arrive super early. If you arrive early, you are welcome to wait for clinic registration to begin.
