

NAVY Swimming CLINIC update #1 posted 5 June 2023)

Greetings from Annapolis. Below are a few relevant reminders in advance of the June clinics at the US Naval Academy.

Getting to camp & USNA Access:

***MAKING YOUR WAY TO CAMP.** To drive onto the Yard, the driver must have current Common Access Card or Uniformed Services ID card. If you possess this card, you may proceed directly to the Naval Academy. Please note that even if you hold the required credentials to drive onto the Naval Academy, you are welcome to use the shuttle service. If you do not possess current a current identification card, please use the free bus service (option 1 listed below.)

1. Bus shuttle (*recommended*) Travel to and park at NAVY MARINE MEMORIAL STADIUM (550 Taylor AVE, Annapolis, MD.) Drive into Gate 5 off of Taylor Avenue. Park then proceed to Gate Z of the Stadium near the Blue Angel display (same location for returning campers), you (and any accompanying guests) may board the shuttle which will bring you to the Naval Academy. The bus shuttle will shut down at 2:00 pm. If the bus has made it's final run, see the next two options.
2. Driving onto the Naval Academy. As mentioned above, you must have the required identification to drive onto the Naval Academy grounds. After passing through Gate 1, stay to your right and travel towards the water. You will pass through a traffic circle. If you notice any open spots in front of Lejeune Hall, feel free to take it. If none are open, then at the traffic circle, travel three quarters around the circle and travel straight down Brownson Road. There will be several parking opportunities along and near this street. Once parked, walk to Lejeune Hall. The registration line will begin near the Navy desk on the pool deck. Parents are welcome to be on deck through registration.
3. If running behind, there is a temporary parking lot (there are 15 minute & a limited number of 120 minute spots) located at Gate 1. You can always park there, walk in to get your swimmer checked in and then go back out to find parking. If this lot is full, you will need to find parking in downtown Annapolis then make your way to Gate 1 of the Naval Academy. NOTE: ***if running behind, meaning arriving after 2:00pm, just get here safely. We will accept your swimmer when you arrive.***

IMPORTANT! As just mentioned, if running behind, we will still accept your daughter/son. We have a skeleton crew working each clinic with all staff dedicated to what is going on in the pool beginning at 2:00pm on Saturday June 17th and 09:00am on Sunday June 18th. There is a temporary parking lot located at Gate 1. You can always park there then see if the men and women working Gate 1 will permit you to walk your

NAVY Swimming CLINIC update #1 posted 5 June 2023)

swimmer(s) into the pool. The pool (located in Lejeune Hall) is the building directly across the street after you pass through security. *Disclaimer!* Though we will accept your swimmer(s) after the clinics begin, we will not cover/review material that was missed.

REMINDERS.

Length of time. All clinics are scheduled to last three hours in length.

Cancellation policy. A friendly reminder that clinic registration is non-fundable. Please notify us at your earliest convenience in writing Send to navyswimmingcamp@usna.edu

Medical. If you have specific medical conditions, please identify a description in writing at; <https://forms.gle/qp24pMB2z1Cw13DY8>
*Note; you do not need to resubmit. This is only for if you have not already completed.

What to bring. Swimming goggles and suit are only items required for participation in any clinic. A pen and paper are encouraged for campers who would like to take notes and increase learning retention.

Look for one more formal update to be posted later this week. We look forward to seeing you next week for your scheduled clinic. Thank you again for selecting the Navy clinic(s) in 2023!

Go Navy!

Bill Roberts & the Navy Camp and Clinic staff

1. Check in at the Stadium begins at 1:30pm on Saturday 17 June 2023. For Sunday clinics, check in begins at 08:30am. Registration will remain open after your clinic start time for anyone who is running behind. In the event you are late, please remember to be safe in your travels. We will still accept your swimmer if you arrive after your scheduled start time.

2. Clinic Introduction starts by 2:05pm (Saturday) & 09:05am (Sunday). Clinic time will last approximately three hours.
