

NAVY Swimming CLINIC update #1 posted 12 June 2021)

Greetings from Annapolis. Below are a few relevant reminders in advance of the June clinics at the US Naval Academy.

Getting to camp & USNA Access:

New in 2021. The Naval Academy remains closed to visitors. As a result, we strongly encourage you to utilize the shuttle service to gain access to the Naval Academy grounds.

1. Bus shuttle. Travel to and park at NAVY MARINE MEMORIAL STADIUM (550 Taylor AVE, Annapolis, MD.) Drive into Gate 5 off of Taylor Avenue. Park then proceed to Gate Z of the Stadium near the Blue Angel display (same location as 2019 for returning campers.) Your swimmer(s) will board the shuttle which will bring you to the Naval Academy. Only swimmers are permitted to ride the shuttle. Staff members will be on site at the stadium to assist.

A single bus run in advance of your scheduled clinic will depart the stadium at the following times;

- Saturday clinics; bus will begin boarding at 1:30 pm. Bus departs no later than 1:45pm for the Naval Academy.
- Sunday clinics; bus will begin boarding at 8:30 am. Bus departs no later than 8:45am for the Naval Academy.

2. To personally drive onto the Yard, vehicles must have a current Common Access Card or Uniformed Services ID card. If you do not possess a valid mechanism to gain base access, please revert to the bus shuttle.

IMPORTANT! If running behind, we will still accept your camper. We have a skeleton crew working each clinic with all staff dedicated to what is going on in the pool beginning at 2:00pm on Saturday June 19th and 09:00am on Sunday June 20th. There is a temporary parking lot located at Gate 1. You can always park there then see if the men and women working Gate 1 will permit you to walk your swimmer(s) into the pool. The pool (located in Lejeune Hall) is the building directly across the street after you pass through security. *Disclaimer!* Though we will accept your swimmer(s) after the clinics begin, we cannot make any promises that the guards at the gate will permit you to pass through.

REMINDERS.

Length of time. All clinics are scheduled to last three hours in length.

Cancellation policy. A friendly reminder that clinic registration is non-fundable. Please notify us at your earliest convenience in writing Send to navyswimmingcamp@usna.edu

NAVY Swimming CLINIC update #1 posted 12 June 2021)

Medical. If you have specific medical conditions, please identify a description in writing to the camp email address.

What to bring. Swimming goggles and suit are only items required for participation in any clinic. All swimmers are expected to wear a mask when not actively participating in a water session. A pen and paper are encouraged for campers who would like to take notes and increase learning retention.

We look forward to seeing you next week for your scheduled clinic. Thank you again for selecting the Navy clinic(s) in 2021!

Go Navy!

Bill Roberts & the Navy Camp and Clinic staff

1. Check in at the Stadium begins at 1:30pm on Saturday 19 June in . For Sunday clinics, check in begins at 08:35am. Registration will remain open after your clinic start time for anyone who is running behind. In the event you are late, please remember to be safe in your travels. We will still accept your swimmer if you arrive after your scheduled start time.
2. Clinic Introduction starts by 2:05pm (Saturday) & 09:05am (Sunday). Clinic time will last approximately three hours.
