

NAVY Swimming CLINIC update #2 posted 2 June 2025)

Greetings from Annapolis. Below are a few relevant reminders in advance of the June clinics at the US Naval Academy.

Getting to camp & USNA Access:

***MAKING YOUR WAY TO CAMP.** To drive onto the Yard, the driver must have current Common Access Card or Uniformed Services ID card. If you possess this card, you may proceed directly to the Naval Academy. Please note that even if you hold the required credentials to drive onto the Naval Academy, you are welcome to use the shuttle service. If you do not possess current a current identification card, please use the free bus service (option 1 listed below.)

1. Bus shuttle (*recommended*) Travel to and park at NAVY MARINE MEMORIAL STADIUM (550 Taylor AVE, Annapolis, MD.) Drive into Gate 5 off of Taylor Avenue. Park then proceed to Gate Z of the Stadium near the Blue Angel display (same location for returning campers), you (and any accompanying guests) may board the shuttle which will bring you to the Naval Academy. The bus shuttle will shut down at 2:00 pm. If the bus has made it's final run, see the next two options.
2. Driving onto the Naval Academy. As mentioned above, you must have the required identification to drive onto the Naval Academy grounds. After passing through Gate 1, continue straight on King George Street. Lejeune Hall is your first building on the left with Halsey Field House and the visitor's center on the right side of the street. Parking is available in the area surrounding Lejeune Hall. If all spots are taken, there are more spots on the back side of Lejeune Hall on Brownson Road. Since it will not be a work day, you should not have too much difficulty finding a spot.
3. If running behind, there is a temporary parking lot (there are 15 minute & a limited number of 120 minute spots) located at Gate 1. You can always park there, walk in to get your swimmer checked in and then go back out to find parking. If this lot is full, you will need to find parking in downtown Annapolis then make your way to Gate 1 of the Naval Academy. NOTE: ***if running behind, meaning arriving after 2:00pm on Saturday or after 09:00am on Sunday, just get here safely. We will accept your swimmer when you arrive.***

IMPORTANT! As just mentioned, if running behind, we will still accept your son/ daughter. We have a skeleton crew working each clinic with all staff dedicated to what is going on in the pool beginning at 2:00pm on Saturday June 14th and 09:00am on Sunday June 15th. There is a temporary parking lot located at Gate 1. You can always park there then see if the men and women working Gate 1 will permit you to walk your swimmer(s) into the pool. The pool (located in Lejeune Hall) is the building directly
