5. NAVY Clinics. At this time, both Technique+Video clinics are sold out. Session I Starts & Turns (Sat June 20th) is sold out as well. Space remains available in all other weekend clinics. One common question is the flow of camp session I into clinic or clinic into session II of camp. The answer is YES! We have every combination covered in terms of remaining in our care from camp to clinic or going from a clinic into camp. If you are registered for both camp and clinic or clinics, please note that the “early check in” option exists for these scenarios. Of note, early check in is only for the time between June 20-22nd. We do not offer an early check on Monday June 15th in advance of Session I.

In the next update, we will share specific instructions on coming to camp.

*See below for the update schedule.*

Thank you & Go Navy!
