

Greetings from USNA and Annapolis, Maryland. Between now and the beginning of camp, we will post information on a more frequent basis leading to the start of your selected camp. Camp updates will be posted first on the camp website on the page titled *Updates*. That same information will eventually be emailed to you. We will email and post on Facebook an announcement that a Navy Swimming Camp update is now available. However, please note that updates always appear first on the camp website.

Once again, we are offering single session clinics in 2019. Each clinic runs three hours in length. Enrollment is varied and limited to allow for maximum individualized attention!
