Dear Camper:

Hello. Thank you for selecting Navy Swimming as your camp for 2021! Now in our twenty-third season, we expect to offer an excellent camp experience. The purpose of this email is to serve as your official confirmation as a Resident Camper for the Navy Swim Camp. The next wave of information we do need to gather relates to medical, transportation, and rooming requests.

NEW IN 2021. We are anxiously awaiting official word if the Naval Academy will be able to support the overnight camp option this June. Unfortunately, we do not have a date when this determination will be made. We will keep you posted on a regular basis going forward. In the event that the Naval Academy cannot support the resident camp option this June, all registered resident campers will have the opportunity to remain in camp as a Day or Extended Day camper. In the event that the Naval Academy does support the resident camp option, Day & Extended Day campers will have the first opportunity to move into a resident camp option. The resident camp option is sold out however currently registered campers will be first in line for any available resident camp spots.

ROOM REQUEST. Optional. Please email us at navyswimmingcamp@usna.edu if you have a specific rooming request. NEW in 2021: we are only accepting a single written rooming request. Parents are expected to coordinate your rooming requests in advance and then submit a single email to navyswimmingcamp@usna.edu. One parent/guardian of each swimmer must be included in this single written rooming request. If requesting multiple people, list in order of preference as room sizes vary between doubles (rare), triples (most common) and a rare quad. Note that rooming is not done until June and that rooming assignments will not be made available until registration. We will make every effort to honor your rooming request. **NOTE: rooming assignment information becomes available at registration.** After receiving email receipt of your rooming request, please refrain from seeking re-verification that your rooming assignment is met and/or that we have the request on file. Beginning in 2021, we are no longer replying to these emails re-requesting verification/confirmation of the original rooming request. If you submitted your rooming request via the overnight camper survey that was sent out on Tuesday 5 April, you do not need to submit an email with the same request. We will accept rooming requests now through June 1st, 2021. *Again, the lists are not final until your registration.* Thank you!

ROOM DEPOSIT. In the event that the camp is billed for any damages to your assigned room, you and your camper will be notified to determine responsibility. Your card will only be charged in the event that damage occurred.

CANCELLATION Policy. Cancellations must be submitted in writing. A \$100.00 fee is in effect for any cancellation received on or before 31 May, 2021. Beginning 1 June at 12:00am EST through 24 hours before registration of your scheduled session (12:00pm on June 14 and/or June 18, 2021), cancellations for any reason will be refunded 50 percent. Cancellations/early departures for any reason after the 24 hour window (12:00pm on June 15 and/or June 19, 2021) and during your camp session will not be refunded. *Phone cancellations are not accepted.* If there are questions stemming from a cancellation, we will be happy to discuss. However, please note that for a cancellation to be official, it must come in writing first to navyswimmingcamp@usna.edu

TRANSPORTATION: Email us if you are going to need transportation to and from Baltimore-Washington Airport (BWI International) and the Naval Academy, with the assumption that you will be able to arrive/depart in the times we will have coaches on hand for airport runs. You may request transportation by completing and emailing the Transportation form posted on the camp website (see application page.) There is a \$35.00 charge for each trip to or from BWI airport. You may complete this purchase at any time online or by submitting a separate check made payable to NAVY Swimming Camp as soon as your travel plans are confirmed. We request that you submit transportation requests no later than 1 June. Coach Liscinsky serves as the official travel coordinator for the camp and can be reached at liscinsk@usna.edu OR navyswimmingcamp@usna.edu

Medical: If you have specific medical conditions, please identify a description in writing to the camp email address; navyswimmingcamp@usna.edu

Last and important: It is your responsibility to check the website for updates. Though we aim to include all important information in this confirmation email, we inevitably will post further relevant camp information in the update page of the camp website. Updates will be posted on the camp website first. We will email out updates from time to time leading up to camp (again, anything in email is information that has already been posted on the camp website.) Please remember to check the website on a regular basis.

We look forward to seeing you in June. Thank you again for selecting the Navy Swim Camp!
Go Navy!

Bill Roberts, Camp Director, Head Men's Swim Coach USNA
