Dear

Hello. Thank you for selecting Navy Swimming as your camp for 2017! Now in our twentieth season, we expect to offer an excellent camp experience. **The purpose of this email is to serve as your official confirmation.** The next wave of information we do need to gather relates to medical, transportation, and rooming requests.

ROOM REQUEST: *Optional* Please email us at navyswimmingcamp@usna.edu if you have a specific rooming request. Rooming requests will be recognized when the person(s) you wish to share a room with also requests you. If requesting multiple people, list in order of preference as room sizes vary between doubles, triples and a rare quad. Note that rooming is not done until June and that rooming assignments will not be made available until registration. We will make every effort to honor your rooming request. NOTE: rooming assignment information becomes available at registration. After receiving email receipt of your rooming request, **please refrain from seeking verification that your rooming assignment is met.** *Again, the lists are not final until registration.* Thank you!

ROOM DEPOSIT: *Required for all campers*

A valid credit card number with name as it appears on the card AND expiration date are required for all campers. Nothing will be charged to your card at this time. In the event that the camp is billed for any damages to your assigned room, you and your camper will be notified to determine responsibility. Your card will only be charged in the event that damage occurred.

If you registered online with a credit card, the same card will be assigned for the room deposit. If you did not pay via credit card, you will need to submit the required information to: NAVY Swimming Camp, 566 Brownson RD, Annapolis, MD 21402 or navyswimmingcamp@usna.edu. Please complete this at your earliest convenience. You may supply this information at registration if you prefer to not submit electronically.

CANCELLATION Policy: Notify us immediately in writing. A \$100.00 fee is in effect for any cancellation received on or before 31 May, 2017. Beginning 1 June at 12:00am EST through 24 hours before registration of your scheduled session (12:00pm on June 12 and/or June 18, 2017), cancellations for any reason will be refunded 50 percent. Cancellations/early departures for any reason after the 24 hour window (12:00pm on June 12 and/or June 18, 2017) and during your camp session will not be refunded. *Phone cancellations are not accepted.* If there are questions stemming from a cancellation, we will be happy to discuss. However, please note that for a cancellation to be official, it must come in writing first to navyswimmingcamp@usna.edu

Swimmers are analyzed then will have the opportunity to learn directly from Dr. Havriluk in a classroom setting. Once complete, swimmers receive a copy of the video file with their results. Dr. Havriluk has been a regular fixture at our weekend clinics for several years. This year and again for the first time ever, he will be on hand to analyze and review camp participants.
